JOSHUA BLUE-JACK
FULL STACK WEB DEVELOPER
Email | GitHub| LinkedIn | Portfolio

SUMMARY
Software engineer with proven experience in Full Stack web development using React, Rails, Django and a product management enthusiast.

Accomplishments: Successfully graduated with a Magna Cum Laude in Computer Science, enrolled and completed Microverse curriculum which selects less than 1% of students that apply to their program, 5 star collaboration rating at Microverse, Successful approval of more than 3 capstone web development projects using React, Ruby and Rails.

SKILLS
Front-end: JavaScript, React, Redux, HTML5, CSS3.
Back-end: Python, Django, Ruby, Rails, MySQL.
Tools & Methods: Git, GitHub, Slack, Heroku, Render, Mobile/Responsive Development, RSpec, TDD, Chrome Dev Tools.
Professional: Remote Pair-Programming, Teamwork, Mentor.
Operating System: Windows. |
Software Development Methodologies: Agile.

EXPERIENCE
Highlighted Personal Projects   Remote
Full Stack Web Developer   September 2022 – May 2023

Mastered intermediate and advanced topics in full-stack development (including Rails, Git, and DS&A challenges) and built multiple projects both independently and via pair programming.

Budgetly — Built a web application to help users manage their budgets for as many expenses as they have to improve the organization of expenses and easy tracking.
- Built with: React, React Bootstrap, Rails.

COVID-19 News — Implemented metrics app design for a COVID-19 News application.
Built with: React, Bootstrap, and CSS.

Todo App — Built a schedule application to track a list of activities a user has to accomplish.
- Built with: React, Bootstrap, and CSS.

MICROVERSE   Remote
Mentor (Volunteer)   September 2022 – Present
- Mentoring 1 junior developer per week on code organization to improve code quality and overall performance using Slack.
- Providing advice and tips to more than 20 junior developers on how to maintain motivation to achieve longevity in the program.

EDUCATION
MICROVERSE   September 2022 – May 2023
Remote Full Stack Web Development Curriculum
- Obtained the Final Capstone certificate.
- Completed the rigorous full stack developer remote program where I worked on multiple projects using React, Ruby on Rails, Bootstrap, CSS, JavaScript and collaborated with other developers around the world.

BOWEN UNIVERSITY
BSc Computer Science   September 2016 – October 2020
- Completed a 159 cumulative total credit towards a B.Sc in Computer science (GPA 3.89).
- Participated in a photgraphy entrepreneurship program. Learned about concepts in photography and photography as a business.
